PART3

THE TREASURE ISLAND

Even after a long wait to reach the island, I hated the very thought of setting foot on it. Mutiny was in the air.

Captain Smollett gave permission to the men to leave the shore so as to gain some time to plan a strategy. I accompanied these men in order to spy on them.

I was trying to hide and was caught by long John himself. Two men were killed on refusing to join the mutiny. On seeing this, I had to run away and met an abandoned man Ben Gunn on the way. Ben Gunn was half crazy English man, who promised to help us against the mutineers on the condition to get part of the treasure and passage to home.

Meanwhile, Smollett, Trelawney and Livesey and three more servants tried to come ashore to occupy a stockade. Silver finally broke, attacked and wounded Captain Smollett when he refused to surrender the map.
