THE TREASURE ISLAND

PART4

I sneaked out of the stockade and cut the ship loose, crashing it on the beach and securing it for the crew. I also killed a pirate in my self-defense. After I went back to the stockade, I was surprised that John Long Silver had changed his loyalty and now he was fighting against the mutineers. Dr. Livesey came in and shot the mutineers at the same moment when they were trying to shoot me and Silver.

Then we rode to see the treasure but it was already been moved to the cave by Ben Gunn slowly on his each visit. The treasure was in the cave then.

Though Silver slipped away from the crew and went to England evading a trial but I had terrifying dreams of him for many months afterwards.
