- My dress is ruined!
- Trespassers will be prosecuted.
- No smoking.
- Keep your city clean.

**3. Writing:** One of the simplest, most helpful things you can do to save the Earth is write a letter! Your opinion counts, and you can have a lot of influence! Write to an elected official, business leader or newspaper editor. If an important decision is being made that will help protect the Earth, your letter could make a difference. If you want to write about what worries you about the Earth, go ahead and tell our leaders what you think!! Today, make a list of names and addresses of important people -- maybe your school principal, or your elected representative or your country's top leader.

**4. The website below might help you on how to write a letter correctly.**
